STATE OF GEORGIA

COUNTY OF FULTON

THIS AGREEMENT made and entered into this 9<sup>th</sup> day of April, 2003 by and between the CITY OF ATLANTA, a municipal corporation of the State of Georgia, and MIDTOWN BUSINESS ASSOCIATION, INC., a non-profit corporation in Fulton County, State of Georgia, and a corporation organized and existing under the laws of the State of Georgia ("Midtown Alliance").

WITNESSETH

**WHEREAS**, the City of Atlanta desires to obtain the maximum benefit from funding made available under Transportation Improvement Program for fiscal years 2002 to 2004 (Q-23 Surface Transportation Program), which in connection with certain qualified and approved projects, provides a match of four federal dollars for every dollar contributed by a local government; and

**WHEREAS**, a specific program has been identified by the Atlanta Regional Commission and the Georgia Department of Transportation as AT-AR BP288 Tenth Street/Piedmont Avenue Streetscape Improvements from Juniper Avenue/Tenth Street to Monroe Drive/Westminster Avenue and/or as Agreement for Congestion Mitigation Project between Department of Transportation State of Georgia and City of Atlanta STP-7626-00(080), P.I. 762608 (the "Project") and approved as eligible for \$1,440,000 in federal matching funds if the City can provide \$360,000 in matching funds to the Georgia Department of Transportation; and

**WHEREAS**, the City will enter into or has already entered into a Congestion Mitigation Project Agreement with the Georgia Department of Transportation (the "Project Agreement") in order to allow the City to utilize the \$1,440,000 presently programmed to the Project but lacks funding to allocate the \$360,000 needed for the local government match; and

**WHEREAS**, the Midtown Alliance is willing, under the terms set forth in this agreement, to provide funding to the City in the amount of \$360,000 in order to allow the City to utilize the \$1,440,000 presently programmed to the Project; and

**WHEREAS**, the City wishes, under the terms set forth herein, to accept the grant of \$360,000 from Midtown Alliance to fund the City's commitment under the Local Government Project Agreement with the Georgia Department of Transportation ("GDOT") in order to allow the City to utilize the \$1,440,000 presently programmed to the Tenth Street/Piedmont Avenue Streetscape.

**WHEREAS**, Midtown Alliance offers qualifications not elsewhere available because of its ability and willingness to acquire and expend such non-City funds for the design and construction of the 10<sup>th</sup> Street-Piedmont Avenue Streetscapes Project and due to its long history of involvement in the proposed Project and Midtown Atlanta; and

**WHEREAS**, the City of Atlanta and Midtown Alliance believe that a public and private partnership to complete the project set forth in this Agreement offers unique opportunities to significantly improve pedestrian traffic and improve public access to Piedmont Park; and

**WHEREAS**, the City desires the continued involvement of Midtown Alliance in the development in the area comprising the Project and Midtown Alliance desires to work with the City to supervise certain design, engineering, and construction work associated with the Project; and

**WHEREAS**, Resolution 02-R-1028, adopted by the City Council on June 8, 2002 and approved by the Mayor on June 10, 2002 and made a part of hereof by reference, authorized the Mayor to enter into this agreement with Midtown Alliance under the terms specified herein.

#### PAYMENT OF INVOICES

- a. Midtown Alliance agrees and understands that the Project Agreement states that GDOT will only disburse funds to the City and that the terms of Resolution 02-R-1028 which authorized this Agreement do not allow the City

to disburse any of its own funds for any of the work on the Project.

- b. The terms of the Project Agreement require that the City submit to GDOT a monthly report (based on calendar months) which describes the progress which was accomplished in the previous month, anticipated work to be done during the next month and any problems encountered or anticipated (the "Monthly Report").

- (1) The preparation and presentation to the City of a proposed form of the Monthly Report, which the City shall submit to GDOT, is the sole responsibility of Midtown Alliance. The proposed form of the Monthly Report shall be transmitted to the City no later than the 30<sup>th</sup> of every month or the next business day thereafter in the event that the 30<sup>th</sup> falls on Saturday, Sunday or a legal holiday.

- (2) The City shall, within three business days of receipt of a submission of a proposed Monthly Report, submit the same to GDOT, but the City, without the approval of Midtown Alliance, shall have the right to add comments or other material. Midtown Alliance agrees that only the City may submit the Monthly Report to GDOT. At the same time the Monthly Report is submitted to GDOT, the City shall provide a copy to Midtown Alliance.

- c. Midtown Alliance agrees and understands that GDOT will only pay to the City in proportion to the percentage of work completed for each phase of the work and will only make such payments after the receipt and review of a voucher certified by the City

- (1) The City agrees to receive proposed vouchers prepared by Midtown Alliance and when the City is satisfied that the work is within the terms and conditions of the Project Agreement certify the voucher and transmit it to GDOT, provided that the City shall not submit more than one voucher to GDOT for any calendar month. At the same time a voucher is submitted to GDOT, the City shall provide a copy to Midtown Alliance.

- (2) The City agrees to undertake its best efforts to verify whether it can certify the voucher proposed by Midtown Alliance within five (5) business days of the receipt of a proposed voucher. The City agrees to notify Midtown Alliance of any part of the proposed voucher that will not be certified and to undertake discussions as to what steps Midtown Alliance must undertake so that the City can agree to certify the part of the proposed voucher which is not submitted.

- (3) After its five (5) day review period, the City agrees to submit to GDOT, on the next business day, all parts of the voucher which it is willing to certify. Midtown Alliance agrees that only the City may submit vouchers to GDOT.

- (4) The preparation and presentation to the City of the documents which

will comprise a voucher is the sole responsibility of Midtown Alliance.

- (5) Upon the receipt of payment from GDOT for the work submitted in a certified voucher, the City agrees to remit such funds to Midtown Alliance as soon as the transfer of the funds can be arranged, but in no case, no later than the second business day after receipt.
- d. Midtown Alliance acknowledges and agrees that GDOT will only make a final payment to the City if the City agrees that the acceptance of the final payment is in full and final settlement of all claims arising against GDOT for work done, materials furnished, costs incurred or other matters arising from the Project Agreement. Midtown Alliance further acknowledges and agrees that the Project Agreement states that the acceptance of the final payment by the City shall release GDOT from any and all further claims of whatever nature, whether known or unknown, for and account of the Project Agreement and for any and all work done, and labor and materials furnished, in connection with the Project Agreement. Midtown Alliance acknowledges and agrees that the City will only request the final payment from GDOT on the condition that Midtown Alliance shall release the City from any and all further claims of whatever nature, whether known or unknown, for and account of this Agreement and/or the Project Agreement and for any and all work done, and labor and materials furnished, in connection with this Agreement and/or the Project Agreement.
- e. Midtown Alliance acknowledges and agrees that GDOT will only make a final payment to the City if the City will allow the examination and verification of the costs of the Project by GDOT's representatives in accordance with Article XIII of the Project Agreement. If GDOT's examination of the cost records result in unallowable expenses, Midtown Alliance understands and agrees that they shall be responsible for reimbursing the City for the full amount of such disallowed expenses immediately upon the City's reimbursement of GDOT, if the amount of such unallowable expenses has not already been paid to the City in anticipation of the City's payment to GDOT.

- a. Midtown Alliance acknowledges and agrees that this general indemnity includes the possibility that federal funds may be disapproved for reasons not relating to actual construction of the Project, including without limitation, the procurement process, the requirements related to record keeping, and the final audit of the Project
- b. Midtown Alliance acknowledges and agrees that this general indemnity provided by this Agreement shall survive its termination.
